Chairman, Critical Intelligence  
Problems Committee  
The Director of Central Intelligence  
Washington, DC 20505

Dear Jim

Thank you for your letter with its generous comments. We will miss you at the CIPC, but your new responsibilities will be a real opportunity. It's always reassuring to see fine people entrusted with greater responsibility.

I've enjoyed our association, Jim, and can only hope that our respective duties will allow working together again in the future.

Sincerely

  
JAMES C. PFAUTZ  
Major General, USAF  
ACS/Intelligence
